The Luna Light

La Noche de las Luminarias set for Saturday, Dec. 3

Continuing more than a decade-long tradition, Luna Community College will host "La Noche de las Luminarias" from 6 to 10 p.m. on Saturday, Dec. 3.

The public will get to view about 5,000 luminarias as well as many building displays around campus. "La Noche de las Luminarias" is designed for motorists to tour the campus with a predetermined route beginning at the top gates. Individuals that want to see the display on foot are also welcome.

Luna Community College has worked in conjunction with the Las Vegas Light Parade which will also take place that evening, giving community members the opportunity to see both events.

Anyone wishing to volunteer with set up and lighting of the luminarias is welcome to meet at the Luna Community College Student Services building at 3 p.m. on Saturday, Dec. 3.

Luna Community College employee Rick Jaramillo is one of several LCC staff members that have helped out in the lighting of the luminarias. The second photo was taken right before dusk last year and was used by KOAT TV.

"La Noche de las Luminarias" is a free event; however, non-perishable food items will be accepted at the top gate and given to a local charity.

Luna Community College is located at 366 Luna Dr. north of Hot Springs Blvd.
