The qualifications of financial need, academic standing, and professional commitment present in her application were determined to merit this award.

Romero urges El Valle residents to attend work session

Luna Community College Board of Trustees Secretary Dan Romero, who represents a huge portion of El Valle, is urging area residents to attend Tuesdays BOT Work Session. The work session will take place at 5:30 p.m. at the Jesse Griego Gymnasium in El Pueblo.

"People from El Valle need to know that they have representation at Luna Community College," said Romero. "We want people to voice their input. We need to know what their needs are so we can assist them."

The work session will primarily be focused on public input.

Romero, along with Board of Trustee Frankie Tenorio, who also represents a portion of El Valle and President Dr. Pete Campos, met with West Las Vegas School District officials in early December to talk about educational opportunities for the area.

Summer registration will begin April 1
and fall registration begins on April 15
