Luna Community College receives Piñon Award from Quality New Mexico

Luna Community College Board Chairman Abelino Montoya Jr. addresses the audience at the 2013 Quality New Mexico Performance Excellence Awards Ceremony on Tuesday. Pictured in the background are LCC President Dr. Pete Campos, Lt. Gov. John Sanchez, LCC Vice-President of Instruction Dr. Vidal Martinez, LCC Board Secretary Dan Romero and LCC Board Vice-President Kenneth Medina.

Luna Community College was one of five entities and the only institution of higher learning to receive a Piñon Performance Excellent Award at the 2013 Quality New Mexico Learning Summit and New Mexico Performance Excellence Awards Ceremony Tuesday in Albuquerque.

Quality New Mexico is a non-profit organization that engages in activities which seek to educate New Mexicans about quality and encourage and reward quality in business, education and other sectors.

Since 1994 the New Mexico Performance Excellence Awards Program has recognized businesses and organizations on their "Path to Performance Excellence". The 'Path' is a formal improvement journey for any sector organization. The Program provides New Mexico with three levels of organizational assessment, written feedback with strengths and opportunities for continued improvement, and public recognition.

By earning the Piñon Award, Luna Community College demonstrated that it is in the beginning stages of identifying and using systematic processes and collecting data to reflect early results in areas of most importance. In addition, Luna Community College has described its approaches for and deployment of its key operational processes. It has also identified its evaluation and improvement activities or processes, and has shown coordination among organizational units.

"I'm very proud of the staff and administration for launching this journey," said LCC Board of Trustees Chairman Abelino Montoya Jr. "Receiving this award after the stringent process is very important for the college. This is the first step in aligning ourselves with the needs of the community and with the education we afford our customers. This will be a continued growth process with an opportunity for staff, administration and those that we serve to earn the Roadrunner, Zia and the Malcolm Baldrige National Quality Award. The board of trustees is committed to supporting the administration for these goals

to become a reality." The college will now strive to reach the Roadrunner level where it has to demonstrate the commitment and implementation of quality principles and show substantive progress in building sound and systematic processes. Should the college earn the Roadrunner Award, it will then turn its attention to the Zia Award which carries even more stringent requirements of performance excellence. Finally, the college will strive for the Malcolm Baldrige National Quality Award which is considered the ultimate achievement for organizational performance excellence.

New Mexico's quality initiative started in 1991. Quality New Mexico's mission is to drive performance excellence in New Mexico organizations by providing role models, tools, knowledge, learning

experiences and best practices.

Joining Luna Community College in earning the Piñon Award are: MOSS ADAMS, LLC from Albuquerque, New Mexico Motor Vehicle Division; the Quality and Performance Assurance Division at Los Alamos National Labs and Technical Area Five at Sandia National Labs.

LCC quilting students to feature talents

The month of May again brings the Luna Community College quilt show at Gallery 140 on Bridge Street. The show is called "More Quilts and Beyond" and features the fiber art of the students of the quilting and sewing program at LCC as well as Silver Threads of Northern NM, a quilt guild made up of former and current LCC students. There will be a reception for the artists and exhibitors from 1 to 4 p.m. on Saturday, May 4 at 140 Bridge Street in Gallery 140. This is the second year the Las Vegas Arts Council has allowed the students to show off their work.

This exhibit represents assignments completed in the Luna Community College quilting classes. Three classes were offered for the 2012-2013 year made up of beginning quilters to 40-year quilters. A small art quilt is required of each student as well as larger quilted projects. This year's projects display color theory, original design and composition, and dimensional embellishments.

Once a year the LCC classes gather stuffed animals and give their personal time to make pillow cases to give to the children involved in CASA. The

animals, fabric, and pillows are donated by the LCC classes, the Trades Department, EANM Extension members, Silver Threads, and other groups and individuals.

This year, members of the Silver Threads Guild will be exhibiting work completed outside the classroom. Silver Threads made the New Mexico Quilt in 2012, raising over \$2,000 for the Friends of the Carnegie Library. It has also donated quilts to community charities such as First Born, Zoe Center, and lap robes to Ambercare. Most of the more traditional and innovative quilts were also class assignments, namely "Mai Tais", "Over By the Pond", "Starbound", the miniature quilts, and the fill-in quilts. Also in the show are some art assignments such as 4" x 6" post-card quilts depicting Las Vegas scenes and 8" x 8" mini quilts that describe something about the artist. Our deep gratitude to the Arts Council for letting the LCC students and Silver Threads show our work.

QUIL205 quilting and sewing II class has grandma's baby shower

The students in the QUIL205 Quilting and Sewing II (Ladies Night Out) class, which is held every Thursday evening at Luna Community College in Springer decided to have a surprise Grandmas' Baby Shower for two of their classmates this past month.

Maria Crosswhite, one of the students showed quilt teacher, Laura Brewer, an applique bunny pattern, and suggested that each student make a bunny block that could be used in a baby quilt for Louise Portillos. Louise, who is soon to be a grandmother is a student in the class and is also the Springer satellite director.

Another student, Effie Montoya, already a grandmother, was recently blessed with a new great grandbaby. Since she was already making a baby quilt as her class project, the students decided to make baby bibs, receiving blankets, a diaper stacker, and other baby items to give at the Grandmas' Baby Shower.

The two Grandmas were very surprised when the class became a baby shower. The entire class had managed to keep the secret for weeks as they made the gifts.

Please see, photos on this page and the next of the event.
