Not too many people knew about Michael Ormseth when he left Luna Community College last year.

That is not the case today.

Ormseth led the New Mexico State Aggies to the Western Athletic Conference regular season championship. His seven wins was tops at NMSU this season.

“He is a hardworking kid,” said LCC Baseball Coach Antonio Siqueiros. “He has always done the small things. He got the grades he needed to transfer to a Division I school.”

Ormseth clinched the championship for the Aggies after beating San Jose State University last week. Ormseth has wins against Big 10 school Minnesota and ACC’s Wake Forest.

Ormseth is third on the Aggies’ squad in innings pitched at 69 and is

also tied for second in games started with 12. He is third in opposing batting average at .282. His .778 won/loss percentage is first. He allowed 79 hits which is tied for second.

***“He has always done the small things. He got the grades he needed to transfer to a Division I school,”—
Antonio Siqueiros***

“He put his time and effort in our program,” said Siqueiros. “He is representing Luna unbelievably well. He is showing what he can do.”

Ormseth played for LCC in 2010 and 2011.

Other former LCC baseball players have earned their way to four-year col-

leges. Infielder Ian Farris played in 51 games for Savannah State this year. He also hit .252. He played the previous two seasons at LCC. Will Mathis, who played for LCC in 2009 and 2010, is 2-1 for the University of New Mexico. The Lobos won the Mountain West Conference Championship.

Jordan Bernal, Nick Chavez and Martin Morales played for Panhandle State this past season.

Recent LCC players Greg Siqueiros and Matthew Martinez are scheduled to play at Panhandle State next season.

“A two-year program is to develop student-athletes and help them move on to a four-year college,” said Siqueiros. “A lot of kids come here get bigger, stronger and faster and gain experience. Our job is to help them get closer to their potential.”

Mandy Huggard and Scott Eliason of Moss Adams explain the audit requirements to members of the Luna Community College Finance/Audit Committee. This is Moss Adams' second year with Luna Community College.

Cannone calling it a career at LCC

Longtime employee has worked at college since 1985

The following is an interview with current Luna Community College information specialist Marcella Cannone who is retiring next month after 27 years.

When did you begin working at Luna Community College?

I began working at Luna Community College in 1985.

What jobs have you held while at LCC?

When I first was hired it was as an assistant in the electronics program. Soon it expanded to a drafting program and the trades department. I was there for 10 years. Then I was moved to start a copy center. Shortly after the mail room was added.

I was a copy center/mail room tech for 14.5 years. My next move was to the administration building as an information specialist/reception were I will retire from.

Why are you retiring this year?

When its time to leave you'll know. I have many things I need to do and unfinished projects that need my attention.

What is your best memories of LCC?

There are many memories I have for the past 27 years. But to name one or two it would be the growth of the campus and the changing of the administration. I have been here for 27 years and seen seven different leaders heading our college.

What are you not going to miss about LCC?

The telephone ringing.

What would you like people to remember you by?

I'm sure each will remember me in their own way.

Is there any advice you would like to give to students, faculty, staff or administration?

Students: Have a study routine, take good notes in class, and if you don't understand the first time ask the instructor to repeat it again. And always remember what you learn, no one can take it away from you.

From a scale of 1-10 how much will Marcella Cannone miss Luna Community College. Cannone says initially it will be a 10.

Faculty: A smile is the earliest form of communication.(I read this somewhere but don't remember where.)

Staff: You are first person students see, you have the experience to see and value the outcome of the day.

Administration: No one who achieves success does so without acknowledging the help of others. The wise and confident acknowledge this help with gratitude (author unknown).

What is there about LCC that you would never want to see changed.

It's hard to say, because without change we don't have growth.

What one thing would you like to see changed about LCC?

Combine the Registrar, Access, Admissions/Recruitment offices, with Fiscal Office and Financial Assistance in the same building.

This is one complaint students have about going back and forth.

What do you want to do now that you retire?

I plan to stay home for one or two years and then would like to become a foster grandparent at the schools.

From a scale of 1-10, 10 being the highest, how much will you miss LCC.

Why?

At first more than likely a 10 but as time goes by it will lessen. After 27 years of my life here, it's part of me.

How important is LCC to northeastern New Mexico?

Very important. Luna Community College provides jobs and gives students and the community alternatives in education.

Introduction to Golf (PE 141)

Luna Community College

This introductory class offers instruction in the basic skills of golf, equipment, the rules, etiquette and shot making. Learn the full swing, pitching, chipping, putting; develop your long game and refine your short game. Students will have access to the driving range, play 9-hole rounds and learn the format in a golf scramble. You will also enjoy and appreciate golf's contribution to personal exercise and pleasure. Bring your clubs, be prepared for summer fun on the course!

Luna CC to host car show; money will be raised for student scholarships

Luna Community College will be having its 8th Annual Car Show from 10 a.m. to 3 p.m. on Saturday, June 16, 2012 at the college.

A \$20 entry fee is required per vehicle. Entries will be received until the day of the event. The first 100 paid entries will receive a commemorative t-shirt and all entries will qualify for door prize drawings. Entries will be received until the day of the event.

Money raised will go into the Automotive Technology Scholarship Fund. The intention are to give one or two \$500 scholarships to a student or students that are interested in declaring collision repair or automotive technology as their major.

There will also be music, activities for children and food vendors at the family event.

"It will be a great, fun, family event," said LCC Collision Repair Instructor Anthony Baca. "Families need to come out and see the talent of car people in this community. There are a lot of mechanical and painting skills that our students and community have. This is a great way to spend time with your dad the day before Father's Day. Last year we had 98 vehicles. This year we're looking at over 100; that's our goal."

This photo shows a Nissan pick up transformed into a radical custom show truck. An estimated crowd of about 1,000 attended last year's car show.

The 8th Annual LCC Car Show is sponsored by the LCC Student Activities Office, LCC Foundation and LCC SkillsUSA.

For more information on the 8th LCC Car Show call Anthony Baca at 454-2591 or 429-

0425 or Gene Sandoval at 454-2590.
