LCC's Hoopii-Haslam signs with Oklahoma Baptist University

The Princeton Review considers OBU one of the best universities in U.S.

Today Ridge Hoopii-Haslam is going to school and hitting home runs for Luna Community College. Soon he will be doing the same at Oklahoma Baptist University.

Hoopii-Haslam, a sports performance major, signed a national letter of intent to play baseball for Oklahoma Baptist University next season. More importantly, Oklahoma Baptist University, is considered one of the best in the entire nation by *The Princeton Review*.

"I feel great and humble about this achievement," said Hoopii-Haslam. "Coming from the islands in the middle of the Pacific Ocean, this has been a big change of environment. Luna Community College will always be in my roots. I will always consider Luna Community College my home."

Hoopii-Haslam is a native of Hilo, Hawaii. He made his way to Luna Community College in August of 2011.

"A lot of coaches recommended my name and Luna Community College came up," said Hoopii-Haslam. "A lot of my high school teammates attended west coast schools and paid a lot in tuition. I thought it would be good to play in New Mexico and make a name for myself and help build a foundation here."

As of Thursday, April 11, Hoopii-Haslam's .504 batting average is second in the National Junior College Athletic Association (NJCAA) and his six home runs places him at 17th.

Ridge Hoopii-Haslam signs a national letter of intent to play baseball at Oklahoma Baptist University.

Changing math anxiety to math confidence

Students at Luna Community College have a unique opportunity to complete basic math requirements this summer by enrolling in algebra with applications with instructor Betsy Sanchez. The Accelerate Algebra with Application-Math Camp will run from Monday, June 3 to Friday July 26. Registration started on Tuesday, April 2 and runs through Friday, June 7. In order to register all students must be pre-approved by instructor.

Math camp is taught in a unique, supportive and interactive environment. The purpose of Math Camp is to accelerate a student's progress through basic math requirements during the summer so they can begin degree-related coursework in the fall. In addition, a dedicated tutor will be

available 20 hours a week to help students during class time and outside class hours.

Accelerate Math Camp uses online curriculum and works with robots to illustrate the connection between math learned in the classroom and the application of math concepts in technology fields. Math Camp students work in small interactive groups and will gain valuable math proficiency and experience in basic robotics. No matter what field a student is studying, a basic understanding of robotics will come in handy when it comes time to find a job.

Continued on page 2

Hoopii-Haslam...

Continued from page 1

"I feel honored and blessed to attend a four-year university to continue my education and play the sport that I love," said Hoopii-Haslam.

Hoopii-Haslam is expecting to play second base and hit in the third spot offensively.

Tuition at Oklahoma Baptist University is \$28,202 a year. Hoopii-Haslam's scholarship will cover the majority of it.

"I can't thank the Luna Community College faculty enough for their help and their honesty with me," said Hoopii-Haslam. "Seeing people smiling every day is something that I love. Where I'm from, my high school was small like Luna Community College. I like the family atmosphere here. This college and special town will surely be missed"

It was not uncommon to see Hoopii-Haslam give the extra effort since arriving at Luna Community College.

"Hard work pays off," said Hoopii-Haslam. "I want to share this with other people and younger generations who will come after me. Anything is possible. I've been playing baseball since I was three years old. I don't go a day without dreaming that I will play major league baseball at some point."

Don't be surprised if Hoopii-Haslam's phone rings in the 2013

Major League draft. Even at 5-9, many scouts see the potential in him as a professional player.

"Basically, they have told me that I can play for my size," said Hoopii-Haslam.

**"I can't thank the Luna Community College faculty enough for their help and their honesty with me... This college and special town will surely be missed,"—
Ridge Hoopii-Haslam**

Even if Hoopii-Haslam does get drafted, it would be his decision whether or not to stay in school. Oklahoma Baptist is located in Shawnee, Okla. It is located 35 miles east of Oklahoma City. It has an enrollment of 1,979 students and has a 16 to one student to faculty ratio.

OBU consistently is ranked in the

Forbes.com listing of America's Best Colleges.

"Coming from a buddy of mine that went to school there, Oklahoma Baptist is a well-rounded university," said Hoopii-Haslam.

Hoopii-Haslam got close with his teammates and coaches while at Luna Community College.

"I am going to miss my brothers that I shared a lot of memories with," said Hoopii-Haslam. "I want to give them a big thank you. I want to thank Coach Antonio Siqueiros and Coach Darren Wheat for giving me the opportunity to play college baseball and help me achieve my goals."

Math camp...

Continued from page 1

Students interested in attending Math Camp must enroll in the Accelerate Program and will receive paid Math Camp tuition, \$150 stipend and four credit hours upon successful

class completion.

In addition to Math Camp, the Accelerate Program offers a Career Technical Advisor to pro-actively advise students throughout the academic year, professional readiness training,

and paid internships.

For more information and application, contact Betsy Sanchez, instructor, 505/454-2554 or Diane Moore, career technical advisor, 505/454-5303.

Attention students:

Luna Community College

registration for the summer semester is ongoing.

You may look at the schedule online at www.luna.edu.

Hard copy schedules are now available.

Meet your Rough Riders

Name: Marissa Valencia
Nickname: Danger
Position: Shortstop/second base
Major: General studies
Classification: Freshman
Hometown: Bernalillo
High School: Bernalillo High
Parents and family: Anthony and Loretta Apodaca

Marissa Valencia

Favorite movie, why? Love and Basketball, because that's what I'm all about.
If you could trade places with someone, who would it be and why?: My mom, so I could know how it feels to raise me.

How important is academics to you?
Very important. Your education is the one thing no one can take away from you.

Plans after graduation: Continue school and become a cardiac surgeon.

What is on your bucket list? Be the first girl in the NBA, skydive and be a mom.

Favorite food, why? Fettuccini Alfredo. Italian food is the best.

Favorite athlete: Magic Johnson

What would you like to contribute to society? Free health care clinics for poor towns and for those who can't afford it.

Whom do you admire the most and why? My step father. I've seen him become a very successful man and he has been there for me since I was born.

Name: Celeste Paez
Nickname: Cele Boo Boo
Position: First base, shortstop
Major: Sports performance
Classification: Sophomore
Hometown: Las Cruces
High School: Mayfield High
Parents and family: Krista, Gilbert, Arianna and Josiah

Celeste Paez

Favorite movie, why? The Breakfast Club, because I am a huge fan of the 80's.
If you could trade places with someone, who would it be and why?: I would trade places with my little brother because he is always so happy and never has a care in the

world.

How important is academics to you?: Academics is very important to me because without it, I wouldn't even be here right now.

Plans after graduation: Own my own business in physical therapy to help disabled children.

Favorite food, why? Green chili chicken enchiladas

Favorite athlete: Brian Wilson from the Giants because he can grow a sick beard.

What would you like to contribute to society? When I graduate and begin my career I would like to help disabled children live a physically healthy life.

Whom do you admire the most and why? My parents, because without them I would not be the person I am today. I have the best parents anyone could ever ask for. I am very lucky.

Name: Krynisha Betoni
Nickname: Korn
Major: Infield/Outfield
Classification: Liberal arts
Hometown: Bloomfield, N.M.
High School: Bloomfield High

Parents and family: Byron Betoni, Melvin Valdez and Bryce Betoni

Favorite movie and why?: Mulan, because I like how a girl can show guys they do the same things.

If you could trade places with someone, who would it be and why?: I would trade a day with any Nascar driver so I could drive fast without being pulled over by a police officer.

How important is academics to you?: Academics comes first. To me, it's at the top of my list of priorities.

Plans after graduation: Move to Las Cruces and go to school for kinesiology. I then want to graduate from New Mexico State University and transfer to the University of Arizona and get my physical therapy degree.

What is on your bucket list? Travel to every continent except Antarctica.

Favorite food, why?: Navajo Tacos and grandma's cooking, because grandma's cooking is awesome. You can not get any better than that.

Favorite athlete: Blake Griffin and Natasha Watley.

What would you like to contribute to society?: I would like to show kids the fundamentals of softball and help kids become the player they can be.

Whom do you admire the most and why? I admire my dad because he is a hard worker and continues to work diligently until he gets what he wants.

Krynisha Betoni

Meet your Rough Riders

Name: Thomas McKinney

Nickname: Coleman

Position: Pitcher

Major: Liberal Arts/Finance

Classification: Freshman

Hometown: Plano, Texas

High School: Hebron High

Previous College: Brookhaven College

Parents and family: Sheri McKinney, Mike McKinney, Carsen McKinney, Lexi McKinney, Julia McKinney, Jack McKinney and Susan McKinney

Favorite movie, why?: The Disney movie Holes; I just watch it over and over again and never get bored.

If you could trade places with someone, who would it be and why?: I would trade places with Justin Verlander, the Cy Young Award winning pitcher of the Detroit Tigers. I would like to know what it is like being in his shoes.

How important is academics to you?: Very.

Plans after graduation: Play pro baseball.

What is on your bucket list? Go skydiving.

Favorite food, why?: Homemade chicken tenders.

Favorite athlete: Nolan Ryan.

What would you like to contribute to society? Greatness

Whom do you admire the most and why? Chris Brady and Orrin Woodward, because of the leadership principles they have helped me apply in my life.

Thomas McKinney

Allen Casillas

Name: Allen Casillas

Nickname: Casillas

Position: Catcher and outfielder

Major: Sports performance

Classification: Freshman.

Hometown: Anthony, N.M.

High School: Gadsden High

Parents and family: Manuel and Olga Casillas.

Favorite movie, why? 300, it's inspiring.

If you could trade places with someone, who would it be and why?: Babe Ruth. Who wouldn't want to trade places with him.

How important is academics to you?: Very important.

Plans after graduation: Play pro ball.

What is on your bucket list? Play until I'm 65; if I make it.

Favorite food, why? T-bone steak

Favorite athlete: Abraham Casillas (my brother).

What would you like to contribute to society? Respect

Whom do you admire the most and why? My parents. They go through tough times and never give up.

Name: Payden Kuhn

Nickname: Goonie

Position: Pitcher

Major: General studies

Classification: Sophomore

Hometown: Omaha, Neb.

High School: Omaha Central High

Previous College: Fort Scott Community College

Parents and family: Wendy, Jim and McKenna

Favorite movie, why?: Tommy Boy, it's hilarious

If you could trade places with someone, who would it be and why?: Michael Jordan, he seems to have a fun life.

How important is academics to you?: I'm a student-athlete, so it is very important.

Plans after graduation: Playing Division I baseball at Alabama A&M University.

What is on your bucket list: Skydiving.

Favorite food, why?: Chinese/sesame chicken.

Favorite athlete: Michael Jordan

What would you like to contribute to society?: Smile and be happy.

Whom do you admire the most and why? My dad. He is the hardest worker and has battled through two strokes.

Payden Kuhn

Luna Community College physical plant employee Joseph Smith stands by the hallway entrance of the LCC Springer Satellite where he has refurbished the hardwood floors. Smith has sanded the floors and intends to stain and seal it by this summer.

Boost Your Math Confidence & Proficiency Enroll in Summer Math Camp

Accelerate Summer Math Camp
8 weeks
Beginning June 3, 2013

Luna Community College

Fulfill Basic Math Requirements
Learn in a Fun, Supportive Environment
Increase your Math Confidence
Paid Class Tuition
Stipend for Successful Completion

The Accelerate program’s Math Camp is designed for anyone who wants to increase their math skills and complete basic math requirements over the summer.

This class is for you if you:

- Are a student returning to college and haven’t taken a math class in years
- Have had a bad math experience or an impatient math instructor in the past
- Lack confidence in your math skills
- Want additional help outside the classroom from a dedicated tutor

Math Camp instructors are skilled in teaching basic math. This class uses state-of-the-art “Emporium-style” curriculum including a fun, weekly robotics session that shows you how math is applied in the real world.

Space is limited; don’t miss out on this opportunity! Call 505.454.5303 or stop by and see Diane Moore to enroll today.

Softball and baseball team each win one game

Both the Luna Community College softball and baseball team won one of four games over the weekend. All games were at home.

The Lady Rough Riders beat Howard College 3-1 in the first game on Saturday. They lost 11-8 and 12-2 on Friday and 20-2 in the second game on Saturday.

The baseball team lost 9-2 and 11-8 on Friday to Western Texas College. They lost 7-3 in the first game on Saturday before winning the final game 8-7.

The softball team will travel to El Paso on Friday and Saturday to take on El Paso Community College in a four game stint. Game time is scheduled to begin at 1 p.m. each day.

The baseball team will host Trinidad State in a scheduled double-header on Tuesday. The first game begins at noon. They travel to Big Springs, Texas on Friday and Saturday to take on Howard College. The starting time for both days is scheduled at noon.

Back from HLC Conference

By Dr. Pete Campos/LCC President

This year the Higher Learning Commission (HLC) hosted a conference that addressed a myriad of topics including the Program to Evaluate and Advance Quality (PEAQ) process that Luna Community College will be using to seek reaffirmation of accreditation. Central themes I heard throughout the presentations were: Be positive, tell your story, make sure when you address the criteria for accreditation that your responses are evidence based and while the journey will be filled with work, enjoy it! Henry Ford, American industrialist, said, "Coming together is a beginning. Keeping together is progress. Working together is success."

We have been preparing intently for this process during the past five years. For example: we've updated our Board of Trustee policies; remained accountable and transparent; maintained a college budget during one of the worst economic periods (2008-2012) in recent history that focused on student success (quality and affordable education) and kept employees working without furloughs or layoffs; improved our Human Resource (HR) process to ensure equal opportunity for employment and employee rights protection; published an excellent 2012-2015 course catalog that informs students, their parents and our community of our college offerings; and aligned our curriculum to benefit students so they may have the opportunity to attain certificates and degrees and earn credits that will transfer so they may pursue a four-year degree after their LCC program of study. Abraham Lincoln, 16th U.S. President, said, "Let no feeling of discouragement prey upon you, and in the end you are sure to succeed."

Now, the foundation is solid! It is time to come together and communicate like never before to share the hard work we have already accomplished and coordinate our best efforts to clearly and succinctly address the criteria in preparation for affirmation of accreditation. I believe that each and every employee of our Luna family will step forward and provide a valuable piece to this extraordinary and wonderful journey on which we have embarked. Tony Robbins, motivational speaker, said, "Identify your problems, but give your power and energy to solutions."

I attended 26 sessions during the HLC 2013 annual conference that provided the necessary information to gain a clear view of what our self-study should include and what the timeline and expectations during the next 18 months will be in preparation for our scheduled on-site visit in October of 2014.

If you'll recall, several months ago we met with Retha Shipton, a lead instructor for Quality New Mexico (QNM), to come up with two important statements that we could engrain within our minds and practice daily. While these two statements must still be considered for formal approval in these or modified forms by our Board of Trustees, it is important that we begin to absorb their content. 1] Our Mission Statement – Creating Opportunity for You. 2] Vision Statement – New Mexico's Premier Community College: Preparing Students for Success.

While I battled bronchitis during the conference and my flight home was delayed, I still made it back to our BOT regular monthly work session (still in my travel clothes). "Trust because you are willing to accept the risk, not because it is safe or certain," Anonymous.

I would especially like to thank Dr. Vidal Martinez for his attendance at the conference and his willingness and enthusiasm to participate in this challenging endeavor.
