

COMMITTEE INTEREST VOLUNTEER FORM

The Staff Advisory Senate is a fundamental piece of the shared governance at Luna Community College. Our goal is to include as many staff members as possible in this process in order to receive valuable input from the campus-community as a whole. Our experiences, ideas, and visions form our college, and each one of us can contribute to its success! Volunteering is an integral part of building a stronger team at our institution. Plus, it can be a great tool for networking, sharing ideas, and having our voices heard! Thank you in advance for choosing to be a part of the future of LCC. We look forward to working with you!

Please indicate if you have an interest in participating in a future committee(s) or providing input. These committees have not yet been formed but may be in the near future. By checking an interest in these committees, it does not bind you to being a committee member. This is a tool the SAS will use in the committee member selection process.

Check all that apply:

- Community Outreach Committee** – Meets with designated community members on matters requiring community involvement that impact Luna Community College.
- Annual LCC Family Picnic** – Coordinate an annual picnic during non-working hours that would allow interaction with staff, faculty, and their families.
- Service Awards and Recognition** – Research and arrange recognition of Luna Community College employees for years of service, recent retirements, and personal and/or employment accomplishments.
- Policy & Procedure Committee** – Analyze the current policies and procedures in place and determine through research, discussion, etc. if revisions, additions, and/or deletions should be recommended. Will work with the SAS as a whole.
- Welcoming Committee** – Formulate ideas on welcoming new hires to Luna Community College, including campus tours, introductions, cross-training, etc.
- I do not wish to serve on a committee.**

Tell us a little bit about yourself...

This section is for us to learn about your interests and hobbies. It will help us determine if you may be a good resource for upcoming events, committees, etc. You may also include other suggestions you would like S.A.S to consider.
