COMMUNITY EDUCATION

Have you ever wondered how people get started recording....

TV Commercials, Audio Books, Radio Commercials, Documentaries, Animation, Voice Mail Systems, Movie Trailers and more?

Whether you're just curious about Voice Overs or considering Voice Work professionally, this single-evening class is a great place to start!

You'll learn: what a voice over is * how to create a demo * what voice-types are in demand * students will have the chance to record a commercial script under the direction of VoiceCoaches.
