Special Thanks

Special thanks to everyone who supported me during the the recent illness and subsequent loss of my husband, James Romero. Thank you for the beautiful card and flowers. Thank you to all of you who were able to attend the funeral – Dr. Linder, Kristi, Denise, Billie, and Crystal – I appreciate all of your support so very much. Thank you to the Luna Board for the beautiful bouquet and your kind thoughts and comments. Thanks to everyone who called and continue to call to check on me. At the most difficult time of my life, it is so amazing to know so many of you care. Thank you!

Reminders

- All committees, departments, and individuals with information to share are encouraged to send their knowledge to sgoodyear@luna.edu each week by 5:00 P.M. on Wednesday (unless otherwise noted) for inclusion in the week's update. If you miss a deadline, don't worry, your information will be included in the following week's update provided it is still timely. When possible, your information should be in tidy bullet points that can easily be added to the basic update format. It is also helpful if you respond to the request for information for the week of the update in the reminder email that was sent out, as it makes it easier for me to find and include what you send in the update. Please submit any pictures in the form of jpegs.
- Things to consider contributing: News about your departments; community event flyers, news regarding personal triumphs and achievements; classified ads, cool, beautiful, or unusual photos you took and want to share among other things.
- Thanks to all who shared information for this week's edition of "What's Happening at Luna."
- If you missed an edition of "What's Happening at Luna," find it here: https://luna.edu/whats_happening.

Have a Wonderful Weekend, Everyone!
