## The ability to speak

### Amberlynn Sena ready to bring home gold medal

**Luna Community College School of Business student Amberlynn Sena has the ability to capture the attention of the audience.**

Amberlynn Sena can speak on a moments notice. More impressively, Sena can capture your attention within seconds.

Sena, a Luna Community College School of Business student, recently got people's attention when she gave an impromptu speech at a SkillsUSA Veterans Appreciation Ceremony.

"I have conversation ability," says Sena.

By her eloquent verbal talent, one would think that Sena has gone to seminars or conventions. She hasn't.

"I took a public speaking course with Linda Tapia here at Luna," says Sena.
