Luna Light correction

In last week’s *Luna Light*, *Luna Light* Editor Jesse Gallegos had an error in the front page article. Gallegos reported that LCC Dental Assistant student Amanda Gonzales’ 8th place finish at the National SkillsUSA competition was the highest ever. According to LCC Dental Assisting Instructor Gloria Pacheco, the LCC Dental Assisting Program has competed in past years, with Barbara Bustamante taking fourth place in 2003 and Genoveva Gutierrez taking sixth place in 2002.

Luna Community College Dental Assisting graduate Amanda Gonzales (back) along with LCC Dental Assisting Instructor Dawna Gallegos walk the parade on Douglas Ave. on Wednesday. Both were promoting SkillsUSA. Gonzales finished 8th at the national SkillsUSA competition in Kansas City last week. For a special photo edition, please see Monday’s Luna Light.
