"Leaving Las Vegas" *After 13 years at Luna Community College, Nursing Instructor Susan Olson retiring*

Saying that it's time to spend more time with her children and extended family, Luna Community College Nursing Instructor Susan Olson is retiring.

Olson worked at the college for the last 13 years.

"I have enjoyed my time here, but it is time to do something else," said Olson. "As Garth Brooks says in his song The Dance. 'I wouldn't have missed it for anything.'"

Olson says that her fondest memories of Luna Community College are the lasting friendships that were developed over the years.

"I want to tell my students to keep going," says Olson. "It is well worth the lack of sleep now. My favorite part of teaching here at Luna Community College is seeing the light bulb come on in the student's faces."
