Becoming The Premier Rural Community College in America

April 2-April 8, 2012

Varela takes first—again *Amanda Gonzales headed to nationals*

Moments after winning his second consecutive first-place finish in the SkillsUSA New Mexico Collision Repair Technology category, Luna Community College student Earl Varela was concentrating on one thing—nationals.

Varela along with LCC Dental Assistant Student Amanda Gonzales will head to the National SkillsUSA Championships in Kansas City in June.

“Everything I do, I do to the best of my ability,” said Varela. “I’m not going up there (nationals) to lose. Right now, I need to study and hit the books. It’s going to take a lot of hard work and dedication.”

Although Varela is the first LCC student to win back-to-back state championships in collision repair technology, his main focus is the competition in Kansas City. Last year, Varela finished in the top 20, however he said it wasn’t good enough. Finishing higher has been on his mind ever since

“I’ve been there before, I know what to expect now,” said Varela. “I really believe in my heart and my abilities that I can do a lot better this time around.”

His instructor and SkillsUSA Advisor Gilbert “Guba” Martinez feels Varela has what it takes.

“I think he has a shot to win nationals,” said Martinez. “If he doesn’t win it, he’ll be in the top 10. Earl is a team player, he knows what it takes to get to the top.”

Joining Varela in the national spotlight will be dental assisting student Amanda Gonzales. Gonzales led a trio of

her classmates as LCC swept first, second and third. Shannon Saiz took the silver medal in dental assisting, while Amberlyn Lucero took the bronze.

“I’m excited and still in a bit of shock,” said Gonzales. “I am very proud of myself and I want to thank my instructors for teaching me. I’m going to go through a lot of practice as I hope I do well at nationals. I compare our dental assisting program to any other. I also want to thank my family and friends for their support.” Dawna Ortega-Gallegos, one of the LCC dental assisting instructors said that hard work has paid off.

“I am very proud of all these girls,” said Ortega-Gallegos. “They all put their heart into it. Amanda going to nationals is something she will remember for the rest of her life.”

LCC also had six other students that brought home medals. Michael Montoya took second in collision repair technology; Celerina Finnestad took the silver medal in cosmetology; Marcus Montañó and Danelle Duran finished second in the nail care competition and Amberlyn Gonzales and Valerie Martinez brought home the bronze in nail care.

“Overall, our students represented Luna Community very well,” said LCC Instructor and SkillsUSA Board Member Anthony Baca. “I’m very proud of all of them.”

LCC offering summer program for high school students

Luna Community College will again offer an enhanced college credit summer program for upcoming classified juniors and seniors. For several years, LCC has offered the Student Academic Advancement Institute (SAAI). This year, it will run from Monday, June 4 to Friday, July 27.

The program provides free tuition for up to nine credit hours, textbook waiver, access code waiver and a distance learning fee waiver. Students who are home-schooled or in private school will need to pay tuition. Students will also receive a \$100 stipend at the end of the summer session upon successful completion of their courses with a grade of "C" or better.

The program is designed to enhance educational opportunities and help students achieve academic success and support their educational goals. Other advantages that SAAI students receive are:

- Participation in student activities
- Introduction to a college environment
- Encouragement to pursue a college degree, either a two- year, four-year or beyond

- Forming a pathway between their current school, LCC and to a four-year institution.

- Awarded an opportunity to challenge themselves to grow both academically as well as personally

- Earning college credit while still in high school

The SAAI program has 200 slots available. All LCC entrance requirements apply to this program. Students are required to fill out a packet available at the LCC ACCESS Center.

Students in the SAAI Program may register for any course listed in the Summer 2012 Course Schedule (prerequisites must be met). Students can view the LCC Summer Schedule for a list of classes at www.luna.edu. General education core classes transfer to four-year universities.

Luna Community College Lady Rough Riders sweep Clarendon

The Luna Community College Lady Rough Riders swept Clarendon 5-3 and 5-4 last Wednesday and took one of four games from North Platte Community College in games played Friday and Saturday. They lost to North Platte 4-3, 10-1 and 8-5 and won 5-3.

The Lady Rough Riders are now 8-23 on the year.

“I’m very happy that we swept Clarendon,” said LCC Head Coach Meredith Gilpin. “More than half of our wins are from teams that will be in our conference next year. We need to keep getting better every week. Our freshmen are getting a lot of good playing time, which will help them for next year.”

Elisse Tapaha had two doubles and two home runs in four games against North Platte. She is one of the national leaders in doubles.

LCC plays Lamar on Thursday and Friday at home in doubleheaders. Games start at 1 p.m. on Thursday and 11 a.m. on Friday.

“Lamar is a good team, but they are beatable,” said Gilpin.

The LCC baseball game scheduled against Western Nebraska today has been cancelled.
