Believe in yourself

By Dr. Pete Campos

Life comes in stages, is filled with surprises and fulfills many of our hopes and dreams. But, in order for us to fully understand what life holds for each of us, we must never give up! Each day brings something different. Depending on our age and personal situation we encounter good and happy times and anticipated and sudden disappointments that affect us in different ways. For example: an 18-year-old student at Luna Community College may be tense while preparing for a final exam while a 30-year employee preparing for retirement may be satisfied after a long accomplished career. The end result; we all have a life to live. How we live reflects on who we are, who we become, how others respond to us and ultimately, what we leave behind when our physical time on earth has ended.

Students and employees of Luna Community College—*Believe in Yourself!* As you confront your personal day-to-day joys and sorrows, treasure every moment. As the *Desiderata* (Latin: desired things) by American writer Max

Ehrmann (1872-1945): "Go placidly amid the noise and haste, and remember what peace there may be in silence. As far as possible without surrender be on good terms with all persons....." I ask you to Google this prose poem and read the entire text. It will give you the strength to work through all those moments when you think the world is about to end and deepen your humility when you achieve a goal and receive accolades and applause from others.

A song entitled **The Impossible Dream** (The Quest) composed by Mitch Leigh, with lyrics written by Joe Darion was sung in the musical by Don Quixote as he stands vigil over his armor, in response to Aldonza (Dulcinea's) question about what he meant by "following the quest." It starts: "To dream the impossible dream, To fight the unbeatable foe, To bear with unbearable sorrow, To run where the brave dare not go....." Students and employees of Luna Community College, when you read **The Desiderata** or listen to **The Impossible Dream** – regardless of what stage you are in your life – **remember your life is what you make it!** *If you are given lemons, make lemonade and if you are given lemonade, share it with others.*

Remember your life is what you make it! If you are given lemons, make lemonade and if you are given lemonade, share it with others.
