EMT Basic Program
at Luna Community College
Spring 2016

Course Start: January 19th

EMT150 Emergency Medical Technician Basic
   Tuesdays & Thursdays 5:30-9:30pm
EMT 150L Emergency Medical Technician Basic Lab
   Fridays 5:30-9:30pm

This program is designed to instruct students with no previous medical training to the level of Emergency Medical Technician. After successful completion of the program, the student will be capable of performing the functions proscribed by the US Department of Transportation (DOT) Emergency Medical Technician - Basic curriculum. This EMS certification level is the foundation level for all emergency medical responders.
