Step 3:

The next screen you see will look like this. It is the “Getting Started” page, and here you will be able to register for classes, check your grades, see your schedule, manage your financial aid, make payments, declare or change your major, and view your unofficial transcript, among other things – just follow the links on the task bar. You can also go directly to Blackboard, the Luna Web Site, or your Student Webmail account.

The screenshot displays the Luna Community College Pathways Online Student Service Portal. The header includes the college logo and the title "Pathways Online Student Service Portal". The user is logged in as Sherry L. Goodyear. The main content area is titled "Getting Started" and features a "Welcome to PATHWAYS!!!" message. Below this, there are several sections: "Quick Links" with links to Home, Academic Information, Calendar, Announcements, Quick Links, and Important Information; "My Pages" with links to Blackboard, Luna Web Site, and Student Webmail; "Academic Information" showing Undergraduate Program details (Faculty Advisors: Portillos, Louise L., Intended Majors: *Furniture/Cabinet Makin, Degree: Certificate); and a "Calendar" for April 6 to May 6, 2018, listing class sessions. The footer shows the system time as 5:12 PM on 4/6/2018.
