## Signing up for a RAVE Account

RAVE is Luna’s emergency service provider where you can sign up your cell phone number to receive alerts from LCC. Any time there is an emergency closure or other important event at Luna that merits immediate attention, RAVE can disseminate that information to all cell-phone numbers enrolled in its service in a matter of a few minutes. From closures due to inclement weather, to information about safety issues around campus, a RAVE account is a simple, free way to plug into emergency issues that affect you as a Luna student/employee. The process to sign up is simple, and information won’t be used for any other purpose than to keep you informed about emergency/important happenings on the Luna campuses.

### Step 1

Go to luna.edu and click on the “RAVE alert signup” link.
