

National Fire & Emergency Services Higher Education Program

FEMA

Certificate of National Recognition

For its commitment to standardizing education for the fire and emergency services by adopting the National Fire Academy's model fire science curriculum, the U.S. Fire Administration proudly recognizes

Luna Community College

as an official Fire and Emergency Services Higher Education institution.

A blue ink signature of the Institution President, consisting of a stylized, horizontal, wavy line.

Institution President

A blue ink signature of the State Fire Training Director, written in a cursive style.

State Fire Training Director

A blue ink signature of the Superintendent, written in a cursive style.
