

LEARNING RESOURCE CENTER

The Luna Community College Learning Resource Center is inviting and a place for everyone. LCC Learning Resource Manager Linda Salazar says that libraries are very important because they serve as a bridge of information to students and the public. Individuals can revise and learn technology as well as check out books and DVD's.

The Learning Resource Center is open weekdays from 8:00 a.m. to 5:00 p.m.

For more information please call Salazar at [505-454-5333](tel:505-454-5333).
