OCTOBER 2015

## *Auto Technologies On-going Renovation*

*The Year 4 project is coming together with the complete renovation of the facility. The Title V 20 seat computer lab is a part of the initiative for Year 4. Students will be able to take hybrid classes and benefit from Lecture Capture capabilities in most of their automotive classes. The project is scheduled to be completed February 2016. Larry Paiz continues to train faculty in Nursing and Automotive courses for developing courses and then pilot in the Spring and Fall.*
