SEPTEMBER 2015

Building Technologies Open House

On September 22, 2015, about 100 people attended the Building Technologies Open House. President Leroy Sanchez welcomed everyone and noted the Building Trades renovation was long overdue. The Title V Electrical Lab with new equipment and NATEF required state-of-the-art tools were also displayed.

President Leroy Sanchez speaks to audience.

Mr. Gary Martinez, Vocational Trades Director, thanked everyone for coming and acknowledged G.O. Bond monies and Title V grant monies used to complete the project. Luna Community College students will now have a newly renovated facility with hi-tech equipment to take carpentry and woodworking classes.

Title V Year 3 Onsite Visit

Dr. David Caffey, Title V External Evaluator, visited the Luna Community College campus September 17-18, 2015 to evaluate the Title V program. Dr. Caffey met with the Internal Evaluation Team along with President Sanchez, Automotive and Nursing faculty, and the Title V staff. Great accomplishments were noted and the project was in compliance with all laws and regulations.
