LCC ACADEMIC SNAPSHOT

Happy New Year!

_____

Thank you to all faculty who presented course learning outcome assessments at December's faculty in-service. Thank you Nichole Collins and Betsy Sanchez for facilitating these efforts. Also thanks to the faculty assessment planning team for all of their work supporting the assessment efforts.

_____

Additional faculty efforts will be made to attend assessment conferences and work-shops, renew WEAVE assessment software, and prepare GE assessment plan which is due in the Summer.
