

# Spring 2020 class schedule available

## Early registration begins on Monday, Nov. 11

Luna's 2020 spring class schedule is available online. Early registration for spring 2020 begins on Monday, Nov. 11.

Students are encouraged to meet with their academic advisors to formulate a schedule for spring 2020 to ensure the best schedule possible. Students must also ensure that they clear their classes with the fiscal office/cashier to ensure they are not dis-enrolled.

To view the 2020 spring schedule visit the Luna website at [luna.edu](http://luna.edu), then go to Courses on the top right hand side. After you click on Courses, you will find the Schedule of Classes.

For more information, call or contact Luna Registrar Henrietta Romero at 505-454-2596 or at [hmaestas@luna.edu](mailto:hmaestas@luna.edu).
