President Rael,

Good morning sir, I want to thank you very much for your recommendation of raising the CDL course fees at the Board meeting last night. I have a few questions to ask you. How soon will these fees be raised, and what will be the new course fee you recommend? Thank you for assistance and support on this matter and have a great day.

Respectfully,
Geno Castillo

Good morning Geno, since you have an established timeline for increasing fees I would suggest that you follow the plan you proposed to the board.
