CERTIFICATE | minimum of 30 Credit Hrs | Catalog Year 2022 - 2023

DESCRIPTION: The Certificate in Allied Health provides students with an educational background to facilitate possible admission into a nursing program or employment opportunities in healthcare, such as nursing assistant. The intent of the certificate is to provide foundational knowledge in the allied health profession.

Coursework in the Allied Health Certificate can be applied toward the Associate of Applied Science Allied Health Degree. Students are strongly encouraged to consult with their Luna advisor for proper advisement and course selection.

In addition to the courses listed below for this program of study, students placing below college level proficiency in Math and English on their entrance exams (ACT, SAT or ACCUPLACER) must complete institutional proficiencies of ENG098 or equivalent before being allowed to registrar for ENGL1110, and MATH095 or equivalent for other courses offered within this certificate program that may require math at the stated level as a pre-requisite or co-requisite.

Note: This certificate does not give you all the Nursing pre-requisites, please refer to Academic Program map with the Nursing Prerequisites for more detail.
