

Dual Credit Educational Plan—General Education Certificate

Student Name _____ LCC# _____ Stars ID# _____

Grade _____ Graduation Date _____ Date Educational Plan Set up _____

Students who are interested in a non-STEM field (programs such as liberal arts, fine arts, education, communication, etc.) are encouraged to pick from the following classes. These courses are part of the General Education Common Core and will transfer within New Mexico (as well as many out-of-state schools). Students are advised to consult the institution for which they plan to attend to determine the science and math classes required and ensure transferability of any courses taken. Students must meet the placement requirements for all courses.
