Reminders

- All committees, departments, and individuals with information to share are encouraged to send their knowledge to sgoodyear@luna.edu each week by 5:00 P.M. on Wednesday (unless otherwise noted) for inclusion in the week's update. If you miss a deadline, don't worry, your information will be included in the following week's update provided it is still timely. When possible, your information should be in tidy bullet points that can easily be added to the basic update format. It is also helpful if you respond to the request for information for the week of the update in the reminder email that was sent out, as it makes it easier for me to find and include what you send in the update. Please submit any pictures in the form of jpegs.
- Thanks to all who shared information for this week's edition of "What's Happening at Luna."
- If you missed an edition of "What's Happening at Luna," find it here: https://luna.edu/whats_happening.
