### Rough Rider Mentorship

- Plans for the **Fall 2023 Future Rough Riders Kids' After School Program** are still ongoing. Please email Sherry Goodyear at [sgoodyear@luna.edu](mailto:sgoodyear@luna.edu) if you want to participate and haven't yet reached out to her. One feature of the after-school program will be "College Success." During this weekly online session, the mentorship program will be featuring various tips and trips for succeeding in college along with interviews with instructors from our various programs. Please contact Sherry if you would like to participate either in "College Success" or if you want to lead a group of students in an area you have an interest in. Keep in mind that after school opportunities can last a semester or an afternoon, they can be live, online or hybrid. The idea is to provide all sorts of learning opportunities for our 6-8 grade students, so we can get them thinking about their futures in a positive way.
