Subject to change

CHESS/Workday conversion

- As you all know, Luna is in the process of converting over to CHESS/Workday. For those who would like more information and detailed tip sheets, that information can be found here: <https://www.chess.edu/mission-2025-training/>.

Also...

- Trish Heaton, CHES Talent Training & Development Officer, is coming to the Luna Campus on Thursdays during the month of February to assist Luna employees with learning about Work Day. Watch your email for specific information about the times Trish will be available for help.

Dental Assisting

There is new equipment in dental assisting including a panoramic machine, x-ray processing equipment, and intraoral cameras.

A panoramic machine takes one image of the entire mouth--students can practice looking for abnormal things like cancer or impacted wisdom teeth. The intraoral cameras allow us to show patients what's going on in their mouths. And the new digital x-ray equipment uses a thinner sensor to take x-rays; this can be more comfortable for the patient. We also have a new Statim sterilizer, which will update the two old ones we have.

All of this equipment will help better prepare our dental assisting students for the field.

ERP

ERP Training Corner

Do you use Reporting in your role? Then save the date for a deep dive training session. Learn all about custom reports and more!

Training will be held Feb. 19th and Feb. 26 at 3pm MST.

For more details, reach out to the Training Team Member contact at your college. For a complete list of Training Team Members, click [here](#).

LCC Writing Club

- "The LCC Writing Club" has begun meeting as a venue for students and community members to receive feedback on their creative writing. All types of creative work are welcome including short stories, excerpts from longer works, poetry and song lyrics. We are not going to be handling class assignments as that is what the ACE and tutoring labs are for, but any creative work is invited. Our tentative location for the meeting is the lobby of the Humanities building and the time/day for the next meeting is 2:15PM on Tuesday, February 20th.

Nursing Department - "It's TEAS time"

Luna Strong

- There is a variety of new snacks, baking mixes, fruit and pantry items in the tienditas this week. In the kitchen tiendita refrigerator, we have yogurts, butter, string cheese, eggs, grapefruits, potatoes, apples and avocados. We also have individual cereal bowls with milk for breakfast. We are doing our best to keep the micro pantries stocked with a variety of snacks.
- Please remember to sign in on the sign-in sheets provided and note the quantity of every item you take - snack food, pantry item or frozen meals. This information is essential for our required reporting and to keep our food program running smoothly

Rough Rider Round-Up

- The Rough Rider Round-Up is a weekly webcast that happens every Friday at 2:30 p.m. It is a quick update about what is happening on campus. Please watch your email for the link.

Reminders

- All committees, departments, and individuals with information to share are encouraged to send their knowledge to sgoodyear@luna.edu each week by 5:00 P.M. on Wednesday (unless otherwise noted) for inclusion in the week's update. If you miss a deadline, don't worry, your information will be included in the following week's update . When possible, your information should be in tidy bullet points that can easily be added to the basic update format. It is also helpful if you respond to the request for information for the week of update in the reminder email that was sent out, as it makes it easier for me to find and include what you send in the update. Please submit any pictures in the form of jpegs.
- Thanks to all who shared information for this week's edition of "What's Happening at Luna."

- If you missed an edition of "What's Happening at Luna," find it here: https://luna.edu/whats_happening.

Have a Wonderful Weekend!
