Dental assistants are a key part of the dental practice year-round. A special week is dedicated to them each year for all the great work they do! Today's dental assistants strengthen the entire practice and enhance patient satisfaction around the world. Dental assistants are committed to professional development and quality dental care.

**March 1-7, 2020** has been designated by the **American Dental Assistants Association** as the perfect time to acknowledge and recognize the versatile, multi-talented member of your dental team. Dentists in the United States and Canada will celebrate by honoring their dental assistants for the variety of duties they perform and helping them provide patients with quality dental care.
