

Attention, Luna students!

Join us for an informational update on Luna and the accreditation process, presented by interim President Dr. Sharon Lalla.

FREE LUNCH INCLUDED!

Wednesday, March 6

12:30 to 1:30 p.m.

Nursing Auditorium

As Luna Community College works to maintain its accreditation, improve and move forward from probationary status, we present these opportunities for the campus community to learn about progress in each of these key areas emphasized by the Higher Learning Commission. In addition to getting informed, participants have a chance to provide feedback as the college prepares for the HLC's visit to campus March 25-27. Students, employees and community members are welcome.
