7. CARES Act Funding for Students in Need Through the federal CARES Act, LCC is able to offer financial assistance to students in need. LCC is very grateful to have the opportunity to deliver extra financial support to qualifying students during this very difficult pandemic. The federal government recently passed the CARES Act, which allocates emergency relief funding for eligible college students across the country to address pressing needs of students due to the disruption of campus operations.

If you are an LCC student eligible for financial aid and if LCC's modified operations due to COVID-19 pandemic has negatively impacted your personal financial situation, you can apply to receive a lump sum of money, up to \$700 from LCC for qualified expenses. Although the money is funded by the federal government, individual colleges are managing the application and approval process, and the distribution of funds. The funding is limited and will be awarded based on eligibility requirements.

About the Fund

- * Award amounts will vary based on need for the funds. The maximum amount a student can receive is \$700.
- * Awards will be until the CARES Act fund is exhausted.
- * The award is not a loan and does not have to be paid back.
