CHES/Workday conversion

As you all know, Luna is in the process of converting over to CHES/Workday. For those who would like more information and detailed tip sheets, that information can be found here:

<https://www.ches.edu/mission-2025-training/>.

Also...

The Collaborative for Higher Education Shared Services (CHESS) wants to hear from you!

Thanks to the collaboration among our colleges, Workday went live for Finance, Payroll, and Human Resources on time and on budget in December. Now that you've had the opportunity to take the Workday training and check out the way Workday operates, we want to learn more from you on how it's going. Please fill out the [Workday ERP 2 Adoption Survey #1](#) so we can continue to develop relevant training and be responsive to your needs. Everyone at LCC and SJC should be using Workday to manage your personal information, timesheets, benefits, tax information, and more.

Fill out the survey today. All feedback is anonymous. The deadline to complete the survey is 5 p.m. on Monday, Feb. 5.

[Click HERE for the survey.](#)

For more information about the Workday project, please read the CHESS Connection newsletter and visit chess.edu. Specific training support is at <https://www.chess.edu/mission-2025-training/>.

Rough Rider Mentorship Program

- The **RR After-School Program** starts this Friday in Springer, from 4:30 – 6:30 P.M. and will run through the end of May. The program focuses on helping kids figure out what they want to do with their lives, teaches them life skills, and provides them with opportunities to hear guest speakers from various fields. To volunteer as a guest speaker, contact Sherry Goodyear at sgoodyear@luna.edu. Presentations can be done via Zoom so don't let not wanting to travel to Springer deter you from sharing your stories with the kids. 😊
- **Mora Zoom Sessions** have resumed on Tuesday mornings. Luna employees present between 8:58 – 9:23 A.M. to Mora middle schools students. This past week Denise Fox presented and next Tuesday, Gene Sandoval is scheduled to present. We are in need of someone to present on the following Tuesday, February 13, 2024, so please email Sherry Goodyear at sgoodyear@luna.edu to volunteer. The Google doc page where people can sign up to present can be found here. Just click on this link and ask for permission to access if you don't already have it:
