WORKSHOPS!

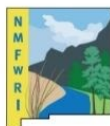

POST-FIRE LAND RESTORATION

All workshops are on Saturdays from 8 am - 3:30 pm
Sign up on site or at luna.edu.

- **Sept 10** - Forest Thinning (Rociada, Maestas Canyon),
What to do with burned trees, how to detect bark beetles early, and what's next for the forest. Meet at 8 a.m. at Rociada Fire Station, 278 State Route 105
- **Sept. 24** - Post-fire plants (San Ignacio)
What plants we are seeing in our burned forests and why, plus how plants re-establish post-fire. Edible and medicinal plants.
Instructors: Cameron Weber, habitat conservation director, Rio Grande Return, and Erika Larsen, San Ignacio landowner and herbalist
Meet at 8 a.m. at the San Ignacio Fire Station, 108 County Road A3A.
- **Oct. 22** - (San Ignacio, Las Dispensas) seed harvesting workshop, 8 am - 3:30 pm
How to find viable seeds and harvest ethically, identify ripe seeds, collect, store, and reseed. Instructor: Cameron Weber, habitat conservation director, Rio Grande Return
Meet at 8 a.m. at the San Ignacio Fire Station, 108 County Road A3A.

Luna Community College and the New Mexico Forest and Watershed Restoration Institute housed at Highlands University are collaborating on these workshops. Find out more at nmfwri.org or luna.edu.
