LANL's Visit to Luna – April 9 and 10, 2024

- The LANL (Los Alamos Nat'l Labs) Challenge Trailers visit to Luna was a success. Roughly 400 students (mostly middle school students) from San Miguel and Colfax counties) came to tour the trailers and Luna's campus, watch a soil presentation given by the NRCS (Natural Resources Conservation Service) and listen to LANL representatives discuss potential work opportunities.
- Lunch (chicken dinners on Tuesday and green and red chili enchiladas on Wednesday) was provided both days by Auntie's Tiendita.
- Thanks to all the departments for providing tours and being so welcoming to these students.
- Thanks to LANL for partnering with Luna to bring this opportunity to Memorial, West Las Vegas, and Springer students.
- Thanks to STEM director, Francisco Apodaca for reaching out to LANL to recommend Luna as a place to hold a Challenge Tomorrow event.
- We look forward to next year's event.

Reminders

- All committees, departments, and individuals with information to share are encouraged to send their knowledge to sgoodyear@luna.edu each week by 5:00 P.M. on Wednesday (unless otherwise noted) for inclusion in the week's update. If you miss a deadline, don't worry, your information will be included in the following week's update . When possible, your information should be in tidy bullet points that can easily be added to the basic update format. It is also helpful if you respond to the request for information for the week of update in the reminder email that was sent out, as it makes it easier for me to find and include what you send in the update. Please submit any pictures in the form of jpegs.
 - Thanks to all who shared information for this week's edition of "What's Happening at Luna"
- If you missed an edition of "What's Happening at Luna," find it here: https://luna.edu/whats_happening.

Have a Wonderful Weekend!
